## Dear Friends,

## January 26, 2024

A New Year, 2024! I wonder what opportunities God will give us this year to serve Him? What blessings will come our way? To what degree will we fail Him? I am excited about the new year. As my body gets older, weaker, and slower, my mind longs to regain the exuberance that I had in the ministry 28 years ago. Of course, any exuberance on my part cannot accomplish anything without those who support us. Thank you for all the prayers and financial giving on your part last year. I pray that the Lord will strengthen your desire to continue participating in our ministry. My wife and I certainly enjoyed reporting last week to Mt. Olivet Baptist Church in Charleston, WV. Pastor Gary Hall and I are both grandparents to the children of my son, Franklin III. Brother Gary and his congregation sure treated us well and donated \$500 to the ministry. Their love gift will be very useful in wrapping up loose ends from 2023. I am praying that the Lord will give me many opportunities to visit new churches in 2024. Our ministry needs increased support to go forward, and I want to tell my fellow Americans about Jesus!

**Thank you for praying for Ukraine**. We thank God that He enabled us to send \$112,760 to Ukraine in 2023. This month, with money sent in December, the workers in Born Again Church, Cross of Christ Church, and Salvation Church continued their relief ministry to internally displaced persons (IDP's), civilians trapped in conflict zones, active-duty military on the front lines, wounded military in Poltava hospitals, and children effected by the war. We have already sent \$1,600 to Born Again Church, \$1,800 to Cross of Christ Church, and \$2,600 to Salvation Church to finance their ongoing relief ministry next month. We praise the Lord for allowing us to also help with a special need. The Pastor and two other Brothers in Born Again Church, who take relief supplies to the Eastern conflict zones near the front lines, were asked to serve as Chaplains while in those areas. To do so, they were required to buy their own uniforms and body armor. They were able to do so, except for buying their helmets. **Thank God** for allowing us to give the last \$225 of \$500 that was needed to buy three helmets.

**Please continue to pray for Pastor Joseph Nanneti and all Christians in India**. We are **so thankful** for how God has blessed the Baca Valley Church there for four years now, but Christian persecution continues to increase. Brother Joseph says that Hindu protesters are now going into some churches to disrupt the worship services.

**Thank you for praying for Philippines.** Pastor Aris Alfonso is **very grateful** for your help last month in giving Christmas gifts to 450 children and 25# bags of rice to 30 families in his church. Now he, and his youth group, are fired up to do ministry in 2024. They continue to go to 15 villages each Saturday to feed the children and have Bible study with the children and their parents. They hope to eventually go to 25 such feeding stations. One village, San Fabian, is where they are trying to plant a daughter church. It is two hours drive from the mother church. The cost of food and fuel to reach these villages is \$60/week. It is not much money to us, but it is a huge challenge for them. **Thank God** we were able to sponsor expenses for January/February. **We are very grateful** to Sewell Valley Baptist Church for putting a collection box in their foyer for this ongoing project. **Please pray for me as I travel to Philippines February 12-27 (Lord willing).** I will be preaching in schools and jails. We will also sponsor a Missions Conference for the local missionaries that Pastor Aris' church supports. After everything we have been involved with recently, I am about \$1,000 short on money for trip expenses. **Please pray** about this need.

In the name of Jesus, your grateful brother,

Franklin Juck gr.

"Blessed is the man whose strength is in Thee... who passing through the valley of Baca maketh it a well." Psalm 84: 5-6

Projects	Needed	Each	Sponsor	Work
Grounds, office building, and garage				
1. Plant 10 willow trees along creek, erect 7 flag poles/flags of each country		Total	Yes	Done
we work in, install dusk to dawn light at front of property, build wall around		cost=		
flag pole area for flower beds, fill flower bed with soil, install electrical		<del>\$20,500</del>		
supply to garage, paint outside of garage, replace garage doors, replace				
window in garage, replace roof on garage, update office computer, buy				
cordless telephone system, build new front porch on office building, paint outside of office building, build 2 bathrooms in office building, connect				
office building to sewer system, install drywall/electrical receptacle/shelving				
in office storeroom, install skirting around office building, buy new laptop				
for deputation, increase storage space in office, install laminate floor in				
office, buy new projector for deputation, buy refrigerator for office, buy				
microwave for office, Install air conditioner/electric furnace/water heater in				
office, replace roof on office
