## Dear Friends,

December 23, 2024

I, my family, and our Board of Directors want to wish each of you and your families a Merry Christmas and Happy New Year! I thought I would send this month's letter out early so that you could read this greeting before the holidays. It seems like an eternity has passed since the beginning of this year. Many of us have suffered and struggled to get to this point; but we (especially I) need to shake off everything negative and focus on the reason for this season. Our Savior, Jesus Christ, was born in a manger to live an exemplary life and then sacrifice it for our redemption. Christmas has always been my favorite time of year. I am looking forward to eating a special dinner with my family, reading the Christmas story to the grandkids, and then watching them open a few gifts. I pray for God's mercy on everyone in the world who will not have that degree of peace on that day, especially in Israel and Ukraine. My wife and I want to thank everyone who sent cards and love gifts in connection with the holidays and my health problems. We want all our friends and supporters, especially the churches, to know that you have special places in our hearts. Many of you have been an encouragement to us for almost 30 years. That is a special blessing with many connecting memories.

**Thank you for praying** for Pastor Aris Alfonso from Philippines. He has returned safely to Philippines after three months of successful deputation. **God blessed him** with a couple new monthly supporters, \$10,000 to buy a van for the youth group, and many new friends. Everyone who met his daughter, Annalois, was impressed. Several of them have started to support her college experience at \$10/month. Unfortunately, problems have developed with her health, and she has also returned to Philippines. She will attend college there instead of Marietta Bible College in Ohio. Anyone who wishes to still help her may send \$10/month to our ministry with "Annalois" in the memo line. **We thank God that Sewell Valley Baptist Church** gave \$275 this month to fund the children's feeding stations in January. **We are also grateful to Big Sewell Baptist Church** for giving \$750 to sponsor Brother Aris' giftgiving program for 250 children in his main church.

**Thank you for praying** for Pastor Joseph Nanneti in India. It is hard to believe that five years have already passed since we opened the Baca Valley Church there. **Thank God** we were able to help with the anniversary celebration, upcoming Christmas program, and gifts for the local pastors. **Please continue to pray for Brother Joseph's health.** 

**Thank you for praying** for the people of Ukraine. We **thank God** that our donation last month was part of over \$16,000 that was collected in honor of Brother Alexander Verkhovsky who was killed in battle. His wife, Ira, my interpreter while in Ukraine, directed the money to be given to his military unit. They have already bought two generators, two antennas, and three drones. **Please continue to pray** for Ira and our efforts to send humanitarian aid. We do not know if we will be able to continue our monthly support in January. **Please pray for sponsors.** 

**Please continue to pray for my health.** Another month has gone by with me mostly confined to my chair. I am taking the maximum dose of pain medicine, but it only helps about 50%. My back is getting worse, and my movement is more limited. I am waiting for an appointment to get nerve blocks in my spine. I had a date for Feb. 13, but it was cancelled because the pain keeps me from getting on the table. Now I am trying to schedule with a doctor who can put me to sleep for the procedure. My sister, Janet June, passed away in Michigan and I will not be able to preach the funeral. She made a confession of faith two days before. **Please pray** for her husband, Tom.

In the name of Jesus, your grateful brother, Franklin Tuck
